2. Professional Experience:
 - Minimum two (2) years of experience in a primary care and/or community health.
 - Broad knowledge, background, and interest in the practice of family medicine.
 - Excellent communication and interpersonal skills.
 - Demonstrated ability to work effectively in an inter-professional team environment.
 - Demonstrated commitment to, and knowledge of, community-based health care.

3. Key Competencies:
 - Sensitivity to the needs of marginalized populations including seniors, low-income and multicultural groups is essential.
 - Demonstrated ability to work effectively in an inter-professional team environment.
 - Experience and proficiency and experience working in a computerized environment with an electronic health record.
 - Excellent organizational and time management skills.
 - Excellent interpersonal and organizational skills.
 - Understanding of issues of disadvantaged groups and of rural health needs.
 - Ability to be flexible and a work in a fast-paced environment under minimal supervision.
 - Must have a valid driver's license and access to a personal vehicle.

4. Linguistic Profile: (SVCHC does not have a French Language Service Designation)
 - English proficiency in both oral and written is essential.
 - French and/or other languages are considered an asset.

5. Personal Suitability:
 - The candidate is a good fit with the interdisciplinary team and SVCHC culture.
 - Sensitivity to the needs of marginalized and diverse clientele.
 - Commitment to health promotion concepts, strategies, and philosophy.
 - Commitment to community-based health care and social services, and strength-based philosophy and practices.

POSITION RESPONSIBILITIES

1. Client Related:
 - Provides ongoing continuous and comprehensive primary medical care to clients of all ages who seek primary health care services including appropriate assessments and diagnosis, counseling, screening, referral, education, treatment and follow-up.
 - In accordance with the philosophy of primary health care, encourages clients and their families to take responsibility for their own health by involving them in risk factor and health problem identification, goal setting and the choice of intervention for disease treatment and prevention, and health promotion.
 - Maintains client confidentiality and acts in an ethical and professional manner, in accordance with professional code of ethics and in accordance with the policies of SVCHC.
